

FMS-01

The AG Neovo FMS-01 floor stand, having a rugged and stylish design, supports up to 55" displays in both landscape and portrait.

The FMS-01 is specially developed for mounting lighter weight displays. This floor stand is a complete installation set for fixed installation purpose, consisting of a dark grey floor plate, aluminium column and dark grey bracket for the display. With the cable duct design, the cables can be perfectly concealed. The FMS-01 is ideal for large sized displays in public and multi-user environments.

- > Durable design for multi-user environments
- > Landscape or portrait display orientation
- > Display height adjustable to 1,826mm (centre display)
- > Tilt up and down from 10° to -13°
- > Cable duct for smart cable management
- > Compatible with VESA standard (Max. 400 x 400 mm)
- > Weight capacity: 30 kg (66.1 lbs)
