2022 Business Report

In 2022, Associated Industries China, Inc. (AG Neovo) consolidated operating revenue amounted to NT\$594,422 thousand, which decreased by 6% compared to NT\$632,260 thousand in the preceding year. The sales volume fell by 13%, while the gross profit margin decreased from 34% in 2021 to 32%. In 2022, the net operating loss amounted to NT\$36,370 thousand, an increase of NT\$50,277 thousand from the net operating profit of NT\$13,907 thousand in 2021. In 2022, the after-tax net loss amounted to NT\$30,933 thousand, and the after-tax loss per share amounted to NT\$0.27.

Global market conditions, including U.S.-China relations, inflation caused by the Russia-Ukraine war, interest rate hikes, and other continuity issues, are still fermenting in 2023. Due to the slowdown of the COVID-19 epidemic in 2022, manufacturers who experienced a sudden surge in market demand in 2021 and have actively stocked up would immediately face inventory pressure caused by a rapid decrease in demand. Therefore, the market is full of price wars to adjust the inventory level, and this price war is expected to last until the second quarter of 2023. Therefore, the focus of Associated Industries China, Inc. is to optimize operational management resilience and capabilities in response to uncertainties and achieve the predetermined performance.

Looking forward to the future, AG Neovo seeks to achieve its vision of "Being a reliable platform that creates the added value for all stakeholders in the AG Neovo value chain," as well as upholding its branding philosophy that adopts three elements, namely "users, environment, and products/services" as the main axes, so as to develop the strategic planning and action plans.

1.Professional Displays

Based on branding, production efficiency and digital integrated marketing, AG Neovo seeks to elevate the brand positioning for its professional displays.

- In conjunction with five major professional markets, NeoV has developed applications that meet user experience: security and surveillance, transportation monitors, industrial monitors, healthcare monitors and touchscreen.
- > Medium term and long term product strategy shall adopt ESG concept into the contemplation model of value chain.
 - Develop products that meet customer (five major professional markets) needs.
 - Adopt master plate and specific key components developed by AG Neovo as its core.
 - Adopt modular production and localized assembly and sales to enhance the flexibility of finished goods at terminal end.

2. Solution

Seek to meet the BI objective. Elevate the value of AG Neovo Solution hardware and software integration via soft power and service quality to increase user satisfaction.

- > Develop AG Neovo's monitor management software to enhance the monitor operation benefits to users.
- >Besides self-developed software, collaborate with strategic partners to ensure comprehensive "application solutions."

3.Healthcare

Implement the preventive medicine strategy and action plan to fulfill the vision of medical equality. Taiwan Biophotonic Corporation, a consolidated subsidiary of AG Neovo, has started to sell its "sleep care solutions" in combination with wearable devices, APPs, and sleep health checkup reports in Taiwan since 2022. Taiwan Biophotonic Corporation has actively held product presentations while expanding hospital and health clinic channels.

In respect of the overall company management, all employees consistently uphold the governance philosophy and resolve in their actions. I would like to thank the long-term support that our shareholders have extended to the Company. The management team and all employees of AG Neovo shall continue our endeavor to facilitate the utilization of AG Neovo's corporate culture, brand value and core competitiveness in creating the maximum profit, so as to protect shareholder interests and take on the corporate social responsibility (CSR). We hope the shareholders would maintain their initial faith and confidence in AG Neovo, and embark on a profitable future with us.

Independent Auditors' Report

To the Board of Directors of Associated Industries China, Inc.: **Opinion**

We have audited the consolidated financial statements of Associated Industries China, Inc. and its subsidiaries ("the Group"), which comprise the consolidated balance sheets as of December 31, 2022 and 2021, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits and the report of other auditors (please refer to Other Matter paragraph), the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2022 and 2021, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), Interpretations developed by the International Financial Reporting Interpretations Committee ("IFRIC") or the former Standing Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Account of Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Based on our audits and the reports of other auditors, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Other Matter

We did not audit the financial statements of Taiwan Biophotonic Corporation (tBPC), a subsidiary of the Group, and also the Group's associate representing the investment accounted for using the equity method. Those statements were audited by other auditors, whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for tBPC, is based solely on the report of other auditors. The financial statements of tBPC reflect the total assets, constituting 11.89% of the consolidated total assets as of December 31, 2022; and the total operating revenues for the period from April 1 to December 31, 2022, constituting 1.22% of the consolidated total operating revenues, for the year ended December 31, 2022. The investment in tBPC, accounted for using the equity method, constituted 2.48% of the consolidated total assets as of December 31, 2021; and the related shares of profit of associates and joint ventures, accounted for using the equity method, constituted 11.68% and 22.83% of the consolidated total profit or loss before tax for the years ended December 31, 2022 and 2021, respectively.

Associated Industries China, Inc. has additionally prepared its parent-company-only financial statements as of and for the years ended December 31, 2022 and 2021, on which we have issued unmodified opinions with other matters paragraph.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key and and it matters to be communicated in our report as follows:

Inventory valuation

Please refer to Note 4(h) Inventories and Note 5 of the consolidated financial statements for inventory valuation and uncertainties of inventory valuation, respectively. Detailed information regarding the inventory is presented in Note 6(d) of the consolidated financial statements.

Description of key audit matters:

As inventories are measured at the lower of cost or net realizable value. The major business activities of the Group are the research, development and sale of LCD monitors, medical equipment and related components. The inventories are exposed to the risk of valuate loss and obsolescence due to the market vulnerability. Therefore, the inventory valuation is one of the important assessment items to perform our audits.

Audit Procedures:

Our principal audit procedures include: examining whether the inventory valuation policy and accounting policy applied by the Group are reasonable and in compliance with the accounting standards; inspecting the inventory aging report; analyzing the changes of inventory aging for each period; and testing the relevant amount of calculation for the lower of cost or net realizable value.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRC, SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

>From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Yiu-Kwan Au and Kuan-Ying Kuo.

The Inventories are exposed to the risk of valuate loss and obsolescence due to market vulnerability. Therefore, inventory valuation is one of the important assessment items to perform our audits.

Audit Procedures:

Our principal audit procedures include: examining whether the inventory valuation policy and accounting policy applied by the Company are reasonable and in compliance with the accounting standards; inspecting the inventory aging report; analyzing the changes of inventory aging for each period; and testing the relevant amount of calculation for the lower of cost or net realizable value.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

>From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Yiu-Kwan Au and Kuan-Ying Kuo.
